## **VISUAL ARTS WORKSHOPS**

*Elementary School-* This art class is ideal for students who like to express themselves through art with fun and easy, family-friendly projects.

*Middle School-* This art class is catered to students who have a large imagination and want to transfer those ideas into an artistic medium. Centered around creative games, story building, and sharing their creations, this class will allow students to improve upon their skills in an entertaining environment.

*High School-* This class offers practice in traditional art skills such as figure drawing, shading and lighting, and tips and tricks to make your art shine. With an emphasis on portfolio building, group critique, and information on art as a profession, students will have the chance to expand their portfolio and improve upon projects that can make them competitive candidates. For 9th to 12th graders. Each student will receive Tombow professional-grade drawing pencils, a sharpener, and eraser, a multimedia sketchbook, Faber Castell world color pencils, and ink pens that real Manga artists use in their profession, all for \$20
